

ARVION

COMPANY PROFILE

Natural stone, *sourced closer.*

For architects, private projects and trade buyers in
India and beyond.

A focused natural stone trading company.

ARVION is the natural stone brand of SB Global Minerals. It sources and trades marble, granite and selected decorative stone for architectural, private and trade requirements.

The company is run through an equal founder partnership: one founder leads sourcing and operations, while the other leads sales and client relationships. Major decisions remain shared.

Direct access

ARVION's strongest source connection is direct access to a family-owned facility producing Rajasthan Black in Rajasthan, India.
